

29 C.F.R. § 1926.107

Definitions applicable to this subpart.

- (a) *Contaminant* means any material which by reason of its action upon, within, or to a person is likely to cause physical harm.
- (b) *Lanyard* means a rope, suitable for supporting one person. One end is fastened to a safety belt or harness and the other end is secured to a substantial object or a safety line.
