

29 C.F.R. § 1952.19

Arizona.

- (a) The Arizona State plan received initial approval on November 5, 1974.
- (b) The Arizona State plan received final approval on June 20, 1985.
- (c) Under the terms of the 1978 Court Order in *AFL-CIO v. Marshall*, compliance staffing levels (benchmarks) necessary for a “fully effective” enforcement program were required to be established for each State operating an approved State plan. In September 1984, Arizona in conjunction with OSHA, completed a reassessment of the levels initially established in 1980 and proposed revised compliance staffing benchmarks of 9 safety and 6 health compliance officers. After opportunity for public comment and service on the AFL-CIO, the Assistant Secretary approved these revised staffing requirements on June 20, 1985.
