

29 C.F.R. § 1953.2

Definitions.

- (a) *OSHA* means the Assistant Secretary of Labor for Occupational Safety and Health, or any representative authorized to perform any of the functions discussed in this part, as set out in implementing Instructions.
- (b) *State* means an authorized representative of the agency designated to administer a State plan under § 1902.3(b) of this chapter.
- (c) *Plan change* means any modification made by a State to its approved occupational safety and health State plan which has an impact on the plan's effectiveness.
