## 29 C.F.R. § 1960.34

---

### General provisions.

---

Within six months of the effective date of this part, the Secretary of Labor and the Administrator of the General Services Administration (GSA) shall initiate a study of conflicts that may exist in their standards concerning Federal buildings, leased space, products purchased or supplied, and other requirements affecting Federal employee safety and health. Both agencies shall establish and publish a joint procedure for resolving conflicting standards. All other Federal agencies that have authority for purchasing equipment, supplies, and materials, and for controlling Government space, as well as the leasing of space, shall also be subject to the requirements of this subpart, including publication of a procedure for resolving conflicting standards.

(a) In order to assist agencies in carrying out their duties under section 19 of the Act, Executive Order 12196, and this part, the Administrator or the Administrator's designee shall:

(1) Upon an agency's request, furnish for any owned or leased space offered to a Federal agency for occupancy:

(i) A report of a recent pre-occupancy inspection to identify serious hazards or serious violations of OSHA standards or approved alternate standards, and

(ii) A plan for abatement of the hazards and violations discovered;

(2) Provide space which:

(i) Meets any special safety and health requirements submitted by the requesting agency, and

(ii) Does not contain either serious hazards or serious violations of OSHA standards or approved alternate standards which cannot be abated;
