

29 C.F.R. § 1960.66

Purpose, scope and general provisions.

- (a) The purpose of this subpart is to establish uniform requirements for collecting and compiling by agencies of occupational safety and health data, for proper evaluation and necessary corrective action, and to assist the Secretary in meeting the requirement to develop and maintain an effective program of collection, compilation, and analysis of occupational safety and health statistics.
- (b) Except as modified by this subpart, Federal agency injury and illness recording and reporting requirements shall comply with the requirements under 29 CFR part 1904, subparts C, D, E, and G, except that the definition of “establishment” found in 29 CFR 1960.2(h) will remain applicable to Federal agencies.
