

29 C.F.R. § 1978.100

Purpose and scope.

- (a) This part sets forth, the procedures for, and interpretations of, the employee protection (whistleblower) provision of the Surface Transportation Assistance Act of 1982 (STAA), 49 U.S.C. 31105, as amended, which protects employees from retaliation because the employee has engaged in, or is perceived to have engaged in, protected activity pertaining to commercial motor vehicle safety, health, or security matters.
