

## 29 C.F.R. § 2400.8

---

### Procedures for statements of disagreement and notification of amendment.

---

(a) *Submission of statement of disagreement.* If a final decision concerning an amendment request does not satisfy the requester, then the requester may provide a statement of disagreement that is of reasonable length and sets forth a position regarding the disputed information. This statement of disagreement shall be accepted by OSHRC and included in the relevant personal record. If deemed appropriate, OSHRC may also include a concise statement in the record of its reasons for not making a requested amendment.
