

29 C.F.R. § 2520.104-4

Alternative method of compliance for certain successor pension plans.

(a) *General.* Under the authority of section 110 of the Act, this section sets forth an alternative method of compliance for certain successor pension plans in which some participants and beneficiaries not only have their rights set out in the plan, but also retain eligibility for certain benefits under the terms of a former plan which has been merged into the successor. This section is applicable only to plan mergers which occur after the issuance by the successor plan of the initial summary plan description under the Act. Under the alternative method, the plan administrator of the successor plan is not required to describe relevant provisions of merged plans in summary plan descriptions of the successor plan furnished after the merger to that class of participants and beneficiaries still affected by the terms of the merged plans.
