## 29 C.F.R. § 2520.104-42

---

### Waiver of certain actuarial information in the annual report.

---

Under the authority of section 104(a)(2)(A) of ERISA, the requirement of section 103(d)(6) of ERISA that the annual report include as part of the actuarial statement (Schedule B) <sup>[1]</sup> the present value of all of the plan's liabilities for nonforfeitable pension benefits allocated by termination priority categories, as set forth in section 4044 of title IV of ERISA, and the actuarial assumptions used in these computations, is waived.
