## 29 C.F.R. § 2570.33

---

### Applications the Department will not ordinarily consider.

---

- (a) The Department ordinarily will not consider an application that fails to include all the information required by §§ 2570.34 and 2570.35 (or fails to include current information) or otherwise fails to conform to the requirements in this subpart.
- (b) An application for an individual exemption relating to a specific exemption transaction or transactions ordinarily will not be considered if the Department has under consideration a class exemption relating to the same type of transaction or transactions. Notwithstanding the preceding sentence, the Department may consider such an application if the issuance of the final class exemption is not imminent, and the Department determines that time constraints necessitate consideration of the exemption transaction on an individual basis.
