

29 C.F.R. § 2570.37

Duty to amend and supplement exemption applications.

- (a) During the Department's consideration of an exemption application and following any grant by the Department of an exemption request, an applicant must promptly notify the Department in writing if they discover that any material fact or representation contained in the application or in any documents or testimony provided in support of the application was inaccurate at the time it was provided to the Department in support of the application. If any material fact or representation changes during this period, or if anything occurs that may affect the continuing accuracy of any such fact or representation, the applicant must promptly notify the Department in writing of the change. In addition, an applicant must promptly notify the Department in writing if it learns that a material fact or representation has been omitted from the exemption application.
