
29 C.F.R. § 2590.701-2

Definitions.

Unless otherwise provided, the definitions in this section govern in applying the provisions of §§ 2590.701 through 2590.734.

Affiliation period means a period of time that must expire before health insurance coverage provided by an HMO becomes effective, and during which the HMO is not required to provide benefits.

COBRA definitions:

- (1) COBRA means Title X of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.
- (2) COBRA continuation coverage means coverage, under a group health plan, that satisfies an applicable COBRA continuation provision.
- (3) COBRA continuation provision means sections 601-608 of the Act, section 4980B of the Internal Revenue Code (other than paragraph (f)(1) of such section 4980B insofar as it relates to pediatric vaccines), or Title XXII of the PHS Act.
- (4) Exhaustion of COBRA continuation coverage means that an individual's COBRA continuation coverage ceases for any reason other than either failure of the individual to pay premiums on a timely basis, or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan). An individual is considered to have exhausted COBRA continuation coverage if such coverage ceases—
 - (i) Due to the failure of the employer or other responsible entity to remit premiums on a timely basis;
 - (ii) When the individual no longer resides, lives, or works in the service area of an HMO or similar program (whether or not within the choice of the individual) and there is no other COBRA continuation coverage available to the individual; or
 - (iii) When the individual incurs a claim that would meet or exceed a lifetime limit on all benefits and there is no other COBRA continuation coverage available to the individual.

Condition means a medical condition.

Creditable coverage means creditable coverage within the meaning of § 2590.701-4(a).

Dependent means any individual who is or may become eligible for coverage under the terms of a group health plan because of a relationship to a participant.

Enroll means to become covered for benefits under a group health plan (that is, when coverage becomes effective), without regard to when the individual may have completed or filed any forms that are required in

order to become covered under the plan. For this purpose, an individual who has health coverage under a group health plan is enrolled in the plan regardless of whether the individual elects coverage, the individual is a dependent who becomes covered as a result of an election by a participant, or the individual becomes covered without an election.

Enrollment date means the first day of coverage or, if there is a waiting period, the first day of the waiting period. If an individual receiving benefits under a group health plan changes benefit packages, or if the plan changes group health insurance issuers, the individual's enrollment date does not change.
