

## 29 C.F.R. § 2704.103

---

### Proceedings covered.

---

- (a) The Act applies to adversary adjudications conducted by this Commission. These are adjudications before the Commission arising under the Mine Act in which the position of the Secretary of Labor is represented by an attorney or other representative who enters an appearance and participates in the proceeding. For this Commission, the types of proceedings generally covered include:
