

29 C.F.R. § 2704.203

Contents of application—where the Secretary's demand is substantially in excess of the judgment finally obtained and unreasonable.

- (a) An application for an award under § 2704.105(b) shall show that the Secretary's demand is substantially in excess of the decision of the Commission; the application shall further allege that the Secretary's demand is unreasonable when compared with the Commission's decision.
