

## 29 C.F.R. § 4003.5

---

### Non-timely request for review.

---

PBGC will process a request for review of an initial determination that was not filed within the prescribed period of time for requesting review (see §§ 4003.32 and 4003.52) if—

- (a) The person requesting review demonstrates in his or her request that he or she did not file a timely request for review because he or she neither knew nor, with due diligence, could have known of the initial determination; and
