## 29 C.F.R. § 4022.3

---

### Guaranteed benefits.

---

(a) *General.* Except as otherwise provided in this part, the PBGC will guarantee the amount, as of the termination date, of a benefit provided under a plan to the extent that the benefit does not exceed the limitations in ERISA and in subpart B, if—

- (1) The benefit is, on the termination date, a nonforfeitable benefit;
- (2) The benefit qualifies as a pension benefit as defined in § 4022.2; and
- (3) The participant is entitled to the benefit under § 4022.4.

(b) *PPA 2006 bankruptcy termination*—(1) *Substitution of bankruptcy filing date.* In a PPA 2006 bankruptcy termination, “bankruptcy filing date” is substituted for “termination date” each place that “termination date” appears in paragraph (a) of this section.

(2) *Condition for entitlement satisfied between bankruptcy filing date and termination date.* If a participant becomes entitled to a subsidized early retirement or other benefit before the termination date (or on or before the termination date, in the case of a requirement that a participant attain a particular age, earn a particular amount of service, become disabled, or die) but on or after the bankruptcy filing date (or after the bankruptcy filing date, in the case of a requirement that a participant attain a particular age, earn a particular amount of service, become disabled, or die), the subsidy or other benefit is not guaranteed because the participant had not satisfied the conditions for entitlement by the bankruptcy filing date. In such a case, the participant may have been put into pay status with the subsidized early retirement or other benefit by the plan administrator, because the plan was ongoing at the time. Even though the subsidy or other benefit is not guaranteed, the participant may be entitled to another benefit from PBGC (at that time or in the future). If so, PBGC will continue paying the participant a benefit, but in an amount reduced to reflect that the subsidy or other benefit is not guaranteed. PBGC will also allow a similarly situated participant who had not started receiving a subsidized early retirement or other benefit before PBGC became trustee of the plan to begin receiving a benefit (if the participant would have been allowed under the plan to begin receiving benefits and has reached his Earliest PBGC Retirement Date, as defined in § 4022.10), but in an amount that does not include the subsidy or other benefit.
