

29 C.F.R. § 4022.5

Determination of nonforfeitable benefits.

- (a) A guaranteed benefit payable to a surviving beneficiary is not considered to be forfeitable solely because the plan provides that the benefit will cease upon the remarriage of such beneficiary or his attaining a specified age. However, the PBGC will observe the provisions of the plan relating to the effect of such remarriage or attainment of such specified age on the surviving beneficiary's eligibility to continue to receive benefit payments.
