

## 29 C.F.R. § 4041A.22

---

### Payment of benefits.

---

(a) Except as provided in paragraph (b), the plan sponsor shall pay any benefit attributable to employer contributions, other than a death benefit, only in the form of an annuity.

(b) The plan sponsor may pay a benefit in a form other than an annuity if—

(1) The plan distributes plan assets in accordance with subpart D of this part;

(2) The PBGC approves the payment of the benefit in an alternative form pursuant to § 4041A.27; or
