

29 C.F.R. § 4233.7

Actuarial and financial information.

(a) *Required information.* An application for partition must include the following plan actuarial and financial information:

(1) A copy of the plan's most recent actuarial report and copies of the actuarial reports for the two preceding plan years.

(2) A copy of the plan actuary's most recent certification of critical and declining status, including a detailed description of the assumptions used in the certification, the basis for the projection of future contributions, withdrawal liability payments, investment return assumptions, and any other assumption that may have a material effect on projections.

(3) A detailed statement of the basis for the conclusion that the plan will not remain solvent without a partition and, if applicable, suspension of benefits, including supporting data, calculations, assumptions, and a description of the methodology. Include as an exhibit annual cash flow projections for the plan without partition (or suspension, if applicable) through the projected date of insolvency. Annual cash flow projections must reflect the following information:

(i) Market value of assets as of the beginning of the year.

(ii) Contributions and withdrawal liability payments.
