

2 C.F.R. § 1.205

Applicability to grants and other funding instruments.

The types of instruments that are subject to the guidance in this subtitle vary from one portion of the guidance to another (note that each part identifies the types of instruments to which it applies). All portions of the guidance apply to grants and cooperative agreements, some portions also apply to other types of financial assistance or nonprocurement instruments, and some portions also apply to procurement contracts. For example, the:
