

2 C.F.R. § 2701.112

Conflict of Interest.

The following conflict of interest policies apply to all SBA awards of financial assistance:

- (a) Where an employee or contractor of a non-Federal entity providing assistance under an SBA award also provides services in exchange for pay in her or his private capacity, that employee or contractor may not accept as a client for her or his private services any individual or firm she or he assists under an SBA award.
