What procedures do we use for a suspension or debarment action involving a title IV, HEA transaction?

(a) If we suspend a title IV, HEA participant under Executive Order 12549, we use the following procedures to ensure that the suspension prevents participation in title IV, HEA transactions:

(1) The notification procedures in § 180.715 of this title.

(2) Instead of the procedures in §§ 180.720 through 180.760 of this title, the procedures in 34 CFR part 668, subpart G, or 34 CFR part 682, subpart D or G, as applicable.
