

2 C.F.R. § 376.30

What policies and procedures must I follow?

The policies and procedures that you must follow are the policies and procedures specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180, including the corresponding section that HHS published in 2 CFR part 376 identified by the same section number. The contracts under a nonprocurement transaction, that are covered transactions, for example, are specified by section 220 of the OMB guidance (*i.e.*, 2 CFR 180.220) as supplemented by section 220 in this part (*i.e.*, 2 CFR 376.220). For any section of OMB guidance in subparts A through I of 2 CFR part 180 that has no corresponding section in this part, HHS policies and procedures are those in the OMB guidance at 2 CFR part 180.
