Acknowledgement of USDA Support on Publications and Audiovisuals.

(a) *Definitions.* (1) “Audiovisual” means a product containing visual imagery or sound or both. Examples of audiovisuals are motion pictures, live or prerecorded radio or television programs, slide shows, filmstrips, audio recordings, and multimedia presentations.

(2) “Production of an audiovisual” means any of the steps that lead to a finished audiovisual, including design, layout, script-writing, filming, editing, fabrication, sound recording or taping. The term does not include the placing of captions for the hearing impaired on films or videotapes not originally produced for use with the hearing impaired.
