

## Compliance Today – September 2019 Navex Global releases 2019 Definitive Corporate Compliance Benchmark Report

---

In June, Navex Global announced the release of its “2019 Definitive Corporate Compliance Benchmark Report. This document is the company’s first to consolidate findings about multiple E&C disciplines into a single, issue-based benchmark report.”

According to published reports, the report findings are based on “963 survey respondents.” The company press release notes, “The disciplines covered in this unique publication include policy and procedure management, employee training, third-party risk management as well as hotline and incident management.”
