
45 C.F.R. § 100.9

How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedures in § 100.10 if:

- (1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies, and
- (2) That office or official transmits a state process recommendation for a program selected under § 100.6.

(b)

- (1) The single point of contract is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.
