---

(a) Effective July 1, 1981 through March 31, 1994, FFP is available at 90 percent of expenditures incurred for planning, design, development or installation of a statewide automated application processing and information retrieval system which are consistent with an approved ADP. (Beginning April 1, 1994 the match rate available for development of title IV-A automated systems is 50 percent.) The 90 percent FFP includes the purchase or rental of computer equipment and software directly required for and used in the operation of this system.

(b) ACF will approve the system provided the following conditions are met—

(1) ACF determines that the system is likely to provide more efficient, economical, and effective administration of the AFDC program.

(2) The system is compatible with the claims processing and information retrieval systems used in the administration of State plans approved under title XIX, and State programs where there is FFP under title XX.
