
45 C.F.R. § 205.56

Requirements governing the use of income and eligibility information.

A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that:

(a) The State agency will use the information obtained under § 205.55, in conjunction with other information, for:

(1) Determining individuals' eligibility for assistance under the State plan and determining the amount of assistance. States wishing to exclude categories of information items from follow-up must submit for the Secretary's approval a follow-up plan describing the categories of information items which it proposes to exclude. For each category, the State must provide a reasonable justification that follow-up is not cost-effective. A formal cost-benefit analysis is not required. A State may exclude information items from the following data sources without written justification if followed up previously from another source: Unemployment compensation information received from the Internal Revenue Service, and earnings information received from the Social Security Administration. Information items in these categories which are not duplicative, but provide new leads, may not be excluded without written justification. A State may submit a follow-up plan or alter its plan at any time by notifying the Secretary and submitting the necessary justification. The Secretary will approve or disapprove categories of information items to be excluded under the plan within 60 days of its submission. Those categories approved by the Secretary will constitute an approved State follow-up plan for IEVS. For those information items not excluded from follow-up,
