Transfer and release of eligible person.

(a) *Transfer and release to relative.* If at the time of arrival from a foreign country or any time during temporary or continuing care and treatment the Administrator finds that the best interests of the eligible person will be served thereby, and a relative, having been fully informed of his condition, agrees in writing to assume responsibility for his care and treatment, the Administrator shall transfer and release him to such relative. In determining whether his best interest will be served by such transfer and release, due weight shall be given to the relationship of the individuals involved, the financial ability of the relative to provide for such person, and the accessibility to necessary medical facilities.
