

## 45 C.F.R. § 211.8

---

### Continuing hospitalization.

---

(a) *Authorization and arrangements.* In the event that appropriate arrangements for an eligible person in need of continuing care and treatment in a hospital cannot be accomplished under § 211.7, or until such arrangements can be made, care and treatment shall be provided by the Administrator in Saint Elizabeths Hospital in the District of Columbia, in an appropriate Public Health Service Hospital, or in such other suitable public or private hospital as the Administrator determines is in the best interests of such person.
