

## 45 C.F.R. § 225.3

---

### Federal financial participation.

---

Under the State plan for financial assistance programs under titles I, X, XIV, XVI (AABD) or for child welfare services under title IV-B of the Act, Federal financial participation in expenditures for the recruitment, selection, training, and employment and other use of subprofessional staff and volunteers is available at the rates and under related conditions established for training, services, and other administrative costs under the respective titles.
