

45 C.F.R. § 233.25

Retrospective budgeting; computing the assistance payment after the initial one or two months.

The State plan shall provide:

- (a) After the initial one or two payment months of assistance under § 233.24, the amount of each subsequent month's payment shall be computed retrospectively, i.e., shall be based on earned and unearned income received in the corresponding budget month.
