

45 C.F.R. § 233.26

Retrospective budgeting; determining eligibility after the initial one or two months.

(a) Under retrospective budgeting, there are three options for determining eligibility. The State plan shall specify that eligibility, following the initial one or two months under § 233.24, shall be determined by one of the following methods:

(1) A State may consider all factors, including income retrospectively, i.e., only from the budget month. For example, if a change in circumstances occurs which affects eligibility, e.g., deprivation ceases, the change may be reported at the end of the budget month and assistance shall be terminated for the corresponding payment month. Thus, even if the agency could have terminated assistance earlier than the corresponding payment month, it shall not do so under retrospective determination of eligibility.
