

45 C.F.R. § 233.27

Supplemental payments under retrospective budgeting.

(a) *General requirements.* A State plan which provides for payments between 25 and 45 days from the close of a budget month, shall provide for supplemental payments to eligible recipients who request them. A State plan which provides for payments within 25 days may provide for supplemental payments:

(1) The supplemental payment shall be paid for the month in which it was requested.
