
45 C.F.R. § 233.31

Budgeting methods for AFDC.

(a) *Requirements for State plans.* A State plan for AFDC shall specify that all factors of eligibility shall be determined prospectively and the amount of the assistance for any month for all assistance units required to file a monthly report for the month designated as the budget month under the State's retrospective budgeting procedures shall be determined using retrospective budgeting as provided in §§ 233.31-233.37 except as provided in § 233.34. The State plan shall specify whether the State uses prospective or retrospective budgeting to determine the amount of the assistance payments for recipients not required to report monthly. Budgeting methods for OAA, AB, APTD, and AABD are described in §§ 233.21-233.29.
