When do expenditures in State-funded programs count?

- (a) If a current State or local program also operated in FY 1995, and expenditures in this program would have been previously authorized and allowable under the former AFDC, JOBS, Emergency Assistance, Child Care for AFDC recipients, At-Risk Child Care, or Transitional Child Care programs, then current fiscal year expenditures in this program count in their entirety, provided that the State has met all requirements under § 263.2.
