## 45 C.F.R. § 264.71

---

### What determines the amount of the provisional payment of contingency funds that will be made to a State?

---

We will make a provisional payment to a State that meets the requirements of § 264.70, within the following limits:

- (a) The amount that we will pay to a State in a fiscal year will not exceed an amount equal to 1/12 times 20 percent of that State's SFAG for that fiscal year, multiplied by the number of eligible months for which the State has requested contingency funds;
