

45 C.F.R. § 270.7

What data will we use to measure performance on the work support and other measures?

(a) We will use Census Bureau data to rank States on their performance on the Food Stamp measures in § 270.4(c) and on the measure of family formation and stability in § 270.4(f). We will also use Census Bureau data, along with other information, to rank States on the child care measure in § 270.4(e). We will rank only those States that choose to compete on these measures.
