

45 C.F.R. § 283.5

How will we use these birth data to determine bonus eligibility?

- (a) We will base eligibility determinations on final vital statistics data provided by NCHS showing the number of out-of-wedlock live births and the number of total live births among women living in each State and a factor provided by NCHS to adjust for changes in data reporting for those States that have changed their methodology for collecting data on out-of-wedlock births during the bonus period.
- (b) We will use the number of total live births and the number of out-of-wedlock births, adjusted for any changes in data collection or reporting, to calculate the decrease in the ratio of out-of-wedlock to total births for each State as follows:
