If a State wants to be considered for bonus eligibility, what data on abortions must it submit?

(a) To be considered further for bonus eligibility, each potentially eligible State, as identified under § 283.5, must submit to ACF data and information on the number of abortions for calendar year 1995 within two months of this notification. This number must measure either of the following:

- (1) For calendar year 1995, the total number of abortions performed by all providers within the State; or
- (2) For calendar year 1995, the total number of abortions performed by all providers within the State on the total population of State residents only. This is the preferred measure.
