

## 45 C.F.R. § 286.185

---

### What happens when a dispute arises between the State of Alaska and the Tribal TANF eligible entities in the State related to the comparability criteria?

---

- (a) If a dispute arises between the State of Alaska and the Tribes in the State on any part of the comparability criteria, we will be responsible for making a final determination and notifying the State of Alaska and the Tribes in the State of the decision.
