

45 C.F.R. § 286.245

What data collection and reporting requirements apply to Tribal TANF programs?

(a) Section 412(h) of the Act makes section 411 regarding data collection and reporting applicable to Tribal TANF programs. This section of the regulations explains how we will collect the information required by section 411 of the Act and information to implement section 412(c) (work participation requirements).
