

45 C.F.R. § 287.155

What reports must a grantee file with the Department about its NEW Program operations?

- (a) Each eligible Tribe must submit an annual report that provides a summary of program operations.
- (b) The Secretary has developed an annual operations report (OMB clearance number 0970-0174). The report specifies the data elements on which grantees must report, including elements that provide information regarding the number and characteristics of those served by the NEW Program. This report is in addition to any financial reports required by law, regulations, or Departmental policies.
