### Grants.

---

To States with approved plans, a grant is made each quarter for expenditures under the plan for the administration of the Child Support Enforcement program. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the IV-D agency containing information required under the Act and such other pertinent facts as may be found necessary.

- (a) *Financial reporting forms — (1) Form OCSE-396: Child Support Enforcement Program Quarterly Financial Report.* States submit this form quarterly to report the actual amount of State and Federal share of title IV-D program expenditures and program income of the current quarter and to report the estimated amount of the State and Federal share of title IV-D program expenditures for the next quarter. This form is completed in accordance with published instructions. The digital signature of the authorized State program official on this document certifies that the reported expenditures and estimates are accurate and that the State has or will have the necessary State share of estimated program expenditures available when needed.
