

## 45 C.F.R. § 1150.41

---

### How will the Endowment request that my debt to the Endowment be collected by offset against some payment that another Federal agency owes me?

---

The Chairperson may request that funds due and payable to you by another Federal agency instead be paid to the Endowment to satisfy a debt you owe to the Endowment. In requesting administrative offset, the Endowment will certify in writing to the Federal agency that is holding funds for you:
