

## 45 C.F.R. § 1159.12

---

### Will the Endowment charge me fees to locate, review, or copy records?

---

- (a) The Endowment shall charge no fees for search time or for any other time expended by the Endowment to review a record. However, the Endowment may charge fees where you request that a copy be made of a record to which you have been granted access. Where a copy of the record must be made in order to provide access to the record (*e.g.*, computer printout where no screen reading is available), the copy will be made available to you without cost.
