

45 C.F.R. § 1159.9

What identification will I need to show when I request access to Endowment records pertaining to me?

The Endowment shall require reasonable identification of all individuals who request access to records in an Endowment system to ensure that they are disclosed to the proper person.

- (a) The amount of personal identification required will of necessity vary with the sensitivity of the record involved. In general, if you request disclosure in person, you shall be required to show an identification card, such as a driver's license, containing your photograph and sample signature. However, with regard to records in Endowment systems that contain particularly sensitive and/or detailed personal information, the Endowment reserves the right to require additional means of identification as are appropriate under the circumstances. These means include, but are not limited to, requiring you to sign a statement under oath as to your identity, acknowledging that you are aware of the penalties for improper disclosure under the provisions of the Privacy Act.
