Management system.

(a) *Implementation.* A program must implement a management system that:

- (1) Ensures a program, fiscal, and human resource management structure that provides effective management and oversight of all program areas and fiduciary responsibilities to enable delivery of high-quality services in all of the program services described in subparts C, D, E, F, G, and H of this part;
- (2) Provides regular and ongoing supervision to support individual staff professional development and continuous program quality improvement;
- (3) Ensures budget and staffing patterns that promote continuity of care for all children enrolled, allow sufficient time for staff to participate in appropriate training and professional development, and allow for provision of the full range of services described in subparts C, D, E, F, G, and H of this part; and,
