

45 C.F.R. § 1302.52

Family partnership services.

(a) *Family partnership process.* A program must implement a family partnership process that includes a family partnership agreement and the activities described in this section to support family well-being, including family safety, health, and economic stability, to support child learning and development, to provide, if applicable, services and supports for children with disabilities, and to foster parental confidence and skills that promote the early learning and development of their children. The process must be initiated as early in the program year as possible and continue for as long as the family participates in the program, based on parent interest and need.
