

45 C.F.R. § 1302.53

Community partnerships and coordination with other early childhood and education programs.

(a) *Community partnerships.* (1) A program must establish ongoing collaborative relationships and partnerships with community organizations such as establishing joint agreements, procedures, or contracts and arranging for onsite delivery of services as appropriate, to facilitate access to community services that are responsive to children's and families' needs and family partnership goals, and community needs and resources, as determined by the community assessment.

(2) A program must establish necessary collaborative relationships and partnerships, with community organizations that may include:

(i) Health care providers, including child and adult mental health professionals, Medicaid managed care networks, dentists, other health professionals, nutritional service providers, providers of prenatal and postnatal support, and substance abuse treatment providers;
